

# VEŽBE ZA RAZVOJ GRAFOMOTORIKE I VIZUELNE PERCEPCIJE

Spoji tačke po modelu sa slike

---

Two dot-to-dot puzzles for graphomotoric and visual perception development. Each puzzle consists of a model shape on the left and a grid of dots on the right.

The first puzzle shows a model of the letter 'M' on the left and a 3x3 grid of dots on the right. The second puzzle shows a model of a square with an 'X' inside on the left and a 3x3 grid of dots on the right.
